ACCOMMODATION HOMESTAY

If you ask CEW to organize your accommodation, it will be for a maximum of 3 weeks, subject to availability. It is the student's responsibility to secure their own accommodation after the initial 3 week booking.

If you are staying in Homestay accommodation you should receive breakfast and an evening meal. Breakfast is normally juice, cereal, toast and tea or coffee. Your evening meal or dinner is normally eaten between 6pm & 7pm in Ireland and it usually consists of meat, fish, vegetables and potatoes. If you feel that you are not receiving the above, please contact the Accommodation Manager immediately and she will try to help.

In the Homestay you are allowed to receive phone calls but you are not allowed to make phone calls from the Homestay's landline. Please respect this rule.

Living in a Homestay can sometimes be difficult due to cultural differences. Here is some useful information and a few tips to help you to adjust and understand Irish culture:

- Dinner is usually between 6pm & 7pm. Meals may only last 20 minutes. It is not part of our culture to spend a long time at the table. Some homes have the TV on during meals.
- Irish houses tend to have a lower temperature than what you may be used to.
- Irish people tend to ask a lot of questions. This is their way of making you feel welcome.
- Irish people are very courteous. They like to use "please" and "thank you" all the time. It is a good idea to try to do the same because otherwise you may sound rude and impolite without meaning to!

APARTMENT ACCOMMODATION

If you ask CEW to organize your accommodation, it will be for a maximum of 3 weeks, subject to availability. It is the student's responsibility to secure their own accommodation after the initial 3-week booking.

Staying in apartment accommodation means that you will have to go shopping for food & household supplies. Shops are generally open Monday to Saturday 9.00am - 5.30pm. Supermarkets like Tesco and Dunnes Stores are usually open late every day. Tesco is located at Lavitts Quay, Paul Street Shopping Centre. Another option is Lidl located on Cornmarket Street, opening hours are: Monday - Saturday 08:00-22:00 & Sunday 09:00-21:00. The English Market is open from Monday to Saturday 8:00am - 6:00pm and it's closed on Sundays.

EazyCity offers self-catering accommodation in shared apartments and houses that are centrally located in Cork city. Accommodation is shared with Irish and foreign people who are working or studying in Cork. Students typically stay in single rooms however twin/double rooms are available on request. The apartments are fully equipped and have WiFi. One set of bed linen is included, you must bring your own towels. The location of the accommodation is confirmed by CEW one week prior to your arrival.

Apartment accommodation in Deanshall* usually involves sharing an apartment with at least three other students where there is a communal living/dining area and shared bathroom. Bed linen is provided (unless otherwise stated), but we recommend that you bring your own towels.

*Deanshall accommodation is only available during the summer.

WELCOME TO CORK CITY

■ St. Finbarre's Cathedral, just across the road, is a fantastic triple spired example of French gothic architecture and is the premier public building in Cork. The site is believed to be the oldest in Cork and is credited for founding the city of Cork which developed around the monastery. Open Monday to Friday.

■ The English Market is an indoor market (food mainly, also clothes and books) with entrances on Grand Parade, Patrick Street, Princes St. and Oliver Plunkett St. The wonderful smell is the first thing that hits you, the scent of raw fish and even rawer meat with occasional odours of herbs and fruit. If you aren't hungry when you walk in, you will be when you leave. The Old English Market is located between Patrick Street and Oliver Plunkett Street.

■ Cork City Gaol is a castlelike prison that once housed 19th Century prisoners. Cells furnished with lifesize figures, sound effects and fascinating exhibitions, together with a spectacular sound and image presentation, tell the social history and contrasting lifestyles of 19th Century Cork and why some people turned to crime. The Gaol experience includes an individual audio tour (English/ French/ German/ Italian/ Irish & Spanish).

■ Shandon is where you will find St. Anne's church, which is known more for its bells than the structure that houses them, due to the famous song "The Bells of Shandon" top of a hillside overlooking the river Lee written

by Francis Sylvester Mahony. It is a prominent landmark in the city, being sited on top of a hillside overlooking the river Lee.

■ Beamish & Crawford Brewery is in the heart of what was the medieval city. Beamish stout, which is exclusively brewed in Cork, is now exported to over 30 countries around the world. You can find the Brewery on South Main Street beside the river.

■ Patrick Street is Cork's main shopping area. It has been designed as a pedestrian priority area with wide walks and special street lights. A mix of department stores, boutiques, pharmacies and bookshops can be found. If you look above some of the storefronts, you'll see examples of Georgian windows that are symbolic of old Cork. The street saw some of the city's worst fighting during the War of Independence.

Other places of interest include University College Cork on Western Road, Fitzgerald Park on Dyke Parade where you can find the Cork City Museum, Cork Butter Museum on Dominick Street and the Crawford Art Gallery on Paul Street.

Refund Policy

Withdrawal of Student Status

If you intend to withdraw from the course then you are strongly advised to seek advice before doing so. If you are studying in Ireland on a student visa, then you are strongly advised to consult student services through the college administration. In all cases you must complete a student cancellation form and return it to administration.

Grounds for a refund or partial refund of fees:

- Irish Study Visa refusal: For students who are not successful in obtaining their visa, any application for a refund needs to be made in writing and must be accompanied by both a copy of the rejection letter from the GNIB and a copy of their stamped passport. Please note: the rejection letter issued by the GNIB will be evaluated by CEW in order to assess grounds for any refund. All original letters issued by CEW along with the students GNIB card must be returned to the centre before any refund can be processed.
- Illness or disability suffered after the student's enrolment has been confirmed. In any such instance, a doctor's certificate is required to confirm.

Guidelines:

1. A refund will only be granted in respect of fees which have been paid for the most recent year. There is no automatic right to a refund of fees if at any time, a student changes his/her mind about studying at CEW
2. After course commencement, any student submitting a refund request for any reason other than those specifically detailed above will be required to have achieved a minimum attendance of 85% in accordance with GNIB (student visa requirements) at the time of request.
3. All refunds are subject to a 30 day refund period.

4. All cancellations must be made in writing using CEW's "Tuition Fees Refund" form.

5. Students that are found to have provided incorrect information, resulting in their visa being refused shall be exempt from any form of refund.

6. Whilst course commencement and completion dates are not expected to change, the centre reserves the right to alter any previously detailed dates/times in order to facilitate or improve the provision of any course and any associated examination. Those changes will in no way affect the other terms and conditions of the student's contract with CEW. Should a change be necessary, the college will not be liable to provide any form of compensation or refund. Any authorized unattended classes must be taken within 2 months of course finishing date subject to availability.

7. Should disciplinary action be taken against any student resulting in their college status being terminated, that student would not be entitled to any form of refund.

8. An administration fee of €20 will be deducted from all refunds.

Student Behaviour & Attendance Policy

Behaviour/ Mobile Phone Usage

Although teachers and staff are there to help students, please ensure you communicate courteously and respectfully any problems/issues you may be having in class, around the school or administratively. Students using foul or abusive language or displaying disrespectful behaviour will not be tolerated. Students are expected to respect both their teachers and their fellow class mates during their classes at all times. Any student found being disrespectful during class may be asked to leave the class and if so would lose their attendance for a day. All episodes of this nature will be reported to administration and will be kept on the student's file

for the remainder of term. Disciplinary action will be taken where necessary and disruptive/abusive students could ultimately find themselves being expelled from the centre and reported to GNIB.

Attendance

Attendance is a provision of the student visa and non-attendance may result in loss of the student permission to study and work in Ireland. Students' attendance/ non-attendance will be monitored continuously throughout the course. If a student's attendance is deemed to be unsatisfactory, or coming towards unsatisfactory levels at any time, school staff will discuss this with the student and are within their rights to request an explanation.

Should a student's attendance fall below the requirement laid down by the GNIB at any time, disciplinary action will be taken against them which could result in the termination of enrolment.

In the event that a student is unable to attend their class for any reason, a reason for non-attendance is required and should be given to the school at the student's earliest opportunity. This requirement is mandatory for all students. In the case of visa students, attendance will be submitted to the GNIB for review along with any letters or certificates provided to the college by the student. The minimum attendance required by GNIB is 85%. It will then be the role of the GNIB and not the school to assess the validity of the student's reasons for non-attendance and decide whether a student's visa will be extended.

If a student needs to return to his/her country during their course, they are required to notify the school in writing stating their reasons for doing so. In the event that a student does not comply with this term, disciplinary action may be taken against the student by the school without further warning which could result in termination of the student's enrolment with CEW.

Progress: Your teacher will assess your English on an ongoing basis. If he or she feels that you are ready to move to another level, he/she will inform a member of the Academic Team, who will then talk to you about doing a progress test and moving class. If you feel you are ready to move, you must first speak to your teacher. Your teacher will discuss your progress with the Academic Team who will see if your language competence has progressed enough to move to a higher level. A progress/level test consists of a spoken test carried out & recorded via Skype and a written test which consists of an electronic document completed by the student.

To enhance the effectiveness and efficiency of our Written Progress Tests, we implement **an AI detection system** to evaluate all written responses. Using AI-generated content does not support your language learning journey. It undermines your progress and wastes valuable time—for both you and us.

To ensure fairness and maintain the integrity of the tests:

- Any written response flagged as AI-generated will result in an **automatic failure**.
- Students who fail due to AI use will **be unable to retake the test for three weeks**.

The purpose of the Written Progress Test is to accurately assess your abilities and determine your readiness for the next level. We strongly encourage you to use these tests to demonstrate your genuine skills and progress.

All tests are aligned with the CEFR.

You will complete a weekly test in your class to measure your knowledge of the material covered during the week. Your teacher records your results which is then monitored by the Academic Team. A score of 60% must be achieved in the weekly test in order to progress to the next level.

Punctuality: Students who arrive for class 15 minutes late will be asked to join the class after the coffee break, so as not to disrupt the rest of the class.

Quality: CEW has a strong focus on quality which enables us to maintain the highest standard of teaching and learning for all stakeholders in CEW. We operate a Peer Mentoring Programme which allows teachers to observe other teachers in class and learn from one another. From time to time a member of the Academic Management team will sit into your class to monitor the quality of the teaching & learning.

Complaints & Grievances: CEW takes all complaints very seriously. Should you have any problems or issues, please speak to one of the following members of staff:

- Academic: the Academic Manager or the Academic Coordinator
- General/Accommodation: The Quality Manager & The Accommodation Coordinator

Money: The Financial Manager

We will endeavour to resolve your complaint/grievance in as informal & efficient a manner as possible. If you are not satisfied with the outcome of the initial resolution your complaint must then be submitted in writing. Student complaint forms can be obtained from the Director.

Testing: All students on English language programmes are given a weekly test on Fridays. All students must complete a level test before progressing to the next level. All students who are attending courses of 7 weeks or more will be allocated a Learner Diary.

Timetables: Student timetable information is advised during your induction and will also be displayed on the class list located in reception.

Morning classes: 09.00 – 12.15
Afternoon classes: 13.00 – 16.15

You can also clarify this information with the Academic Director. Due to the possibility of unforeseen circumstances before or during your programme, timetables may change throughout the year. While every effort is made to avoid such action being taken, should any alterations be deemed necessary, CEW would not be liable under any circumstances and therefore no compensation or form of refund would be given.

You can also use the QR code which is on noticeboards to submit feedback at anytime. On your final day at CEW you will be given an End of Course Evaluation. You will be evaluating all aspects of your stay. We would appreciate you taking the time to fill this in.

Thank you and best of luck with your course here in CEW.
